

Equine First Aid

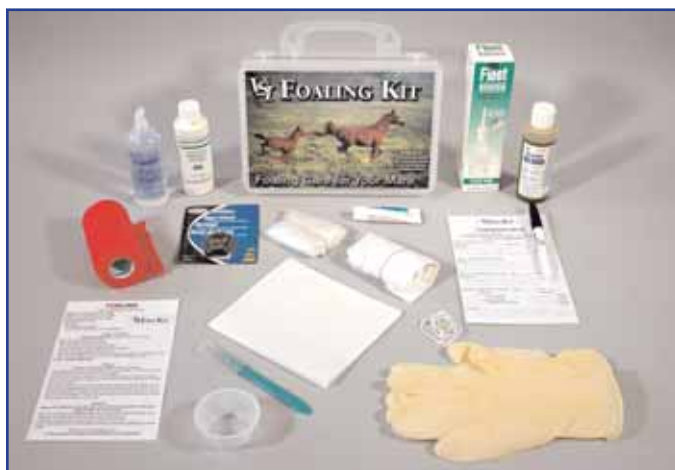

*First Aid
That Horse
Owners
Trust*

Vet Kit™ (VSI-1001)—The VSI Vet Kit™ is the one that started it all. Convenient AND practical first aid in an economical package. Horse owners should never be without it.

**Quality Products In The Fastest
Growing Segment of
Today's Equine Marketplace**

Barn Kit™ (VSI-1011)—The VSI Barn Kit™ (above) is our “industrial strength” package for stables, shows and any location where several horses need protection. The solid metal cabinet and comprehensive contents make it the pro's choice.

Foal Kit™ (VSI-1007)—The VSI Foal Kit™ (left) is one of our most popular equine kits. This well-designed model includes everything to ensure foal and mare health.

VSI Pet Care Products pioneered quality first aid for pets and horses more than 10 years ago. Our equine products offer serious first aid at prices that compete in any market. Expand your profitability with these proven products.
